On September 28, *Luxe Interiors + Design* was the media sponsor for The Birth and Death of Rock 'n' Roll, the exclusive opening night of "Allen Ruppersberg: No Time Left to Start Again/The B and D of R 'n' R." A sweeping survey of classic American popular musicians, from blues singers of the 1930s through guitar legends of the '50s and '60s, the event, hosted by the Auxiliary Board of the Art Institute of Chicago, took place in the stunning new Modern Wing of the museum, where guests enjoyed a mix of rock 'n' roll music that included a one-of-a-kind appearance by the cast of the award-winning musical *Million Dollar Quartet*. The proceeds from the evening will go to support the Auxiliary Board of the Art Institute of Chicago, which prides itself in helping to usher in new, young and diverse audiences while contributing to the museum's mission by addressing its most important funding needs, including educational and community outreach programs that enrich through art the lives of Chicago communities, families and children.
